

## Reaching the French-speaking world for Christ is our mandate and purpose.

One of the least evangelized French-speaking countries in the world is France, where a mere 0.6% of the population believes in Jesus Christ as their personal Lord and Savior. This means 99.4% of France is going to a Christless eternity!

In obedience to Isaiah 30:8, BLF has committed to printing 50,000 French New Testaments, *Parole Vivante*, (Living Word) for free distribution in Europe.

Our desire is to see people of every age group and every walk of life reading God's Word! But how can they read it if we don't make it available to them?!

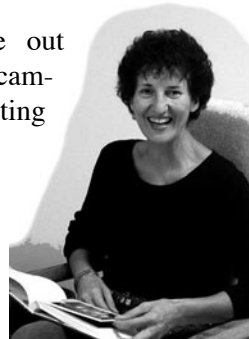

The Scriptures we print in our publishing house in Marpent, France will be distributed to French-speakers by French-speakers. There's an Ethiopian proverb that says, "When spider webs unite, they can tie up a lion." As one small organization we may not be very strong, but together with others we can make a profound difference.

We're thankful for other organizations eager to help distribute these 50,000 New Testaments:

**France For Christ** has a detailed distribution plan including Christmas events, a Bible Expo, youth camps, and several evangelistic campaigns. Additional copies will be given out by FFC missionaries and churches.

**Operation Mobilization** will give out free copies during their evangelistic campaigns, as well as their church planting endeavors.

**Mission of Evangelism to North Africans** is reaching Muslims in Europe, and will give them to interested Muslims.

**Mission One Bible Per Home** will distribute them in Paris during their *Walk for Jesus* march, and their *Marathon of the Bible* event.

**University Bible Group of France & Belgium** has 700 Christian students to give out New Testaments to friends and fellow students.

**France Mission**, whose motto is 'building churches that multiply themselves', has several plans for these New Testaments:

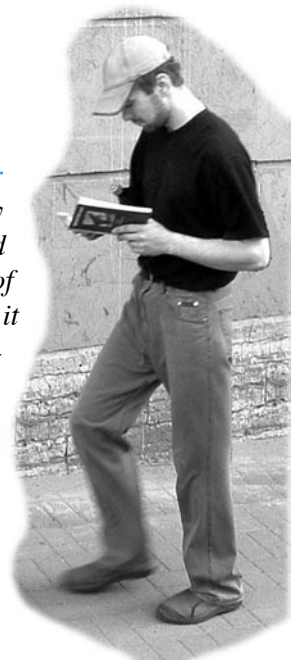

- One of their pastors will distribute them in Bretagne as part of the church's 50th anniversary outreach celebration.
- Another pastor plans to give free copies to the secondary students in his *Religious Culture* classes.
- A pastor in the ancient Olympic city of Savoie will use them in an area where Jehovah Witnesses and Buddhists are gaining a foothold.

• In Lorraine, a pastor would like to give away copies at their annual evangelistic *Right to Know* campaign. This would include market places, concerts, and coffee houses.

• Churches in Alpes will offer the New Testaments on their Internet sites.

And the list goes on...

*"The inhabitants of our country (France) have an immense need to be reached by the message of the Gospel. We must 'act while it is day', not missing the opportunities which are open to us at present - a renewed interest in the evangelical message, the backdrop of a deep crisis in society, and a real quest for the meaning of life, hope, and sure values observable in many persons."* - **Vision France**

A higher standard.  
A higher purpose.

The name *Biblical Literature Fellowship* has been officially changed to:  
***Bibles & Literature in French*** for English use, and  
***Bibles & Littérature Francophone*** when translated into French.  
(*ELB & AES* are now simply lines of books that BLF Europe publishes.)

We trust this new name will be more self-explanatory and representative of what our ministry focus has always been: producing Bibles and other Christian literature for the French-speaking world.

**We have not changed!** Our mission, our mandate, our focus - all remain the same. Even the letters *BLF* stay the same. Our goal remains to share the Gospel message with French-speakers around the world. Thank you for your major role in accomplishing this huge task!

## For Stewards Only

We would value your help in getting these New Testaments into the hands and homes of Europe's French population.

The total cost of the project is \$170,500. Obviously, we don't all have the same financial means, but whatever you feel God directing you to do would be tremendously appreciated.

Breaking it down into bite-size pieces...

- \$34.10 will pay for the printing of 10 New Testaments
- \$341 will print 100 copies
- \$3,410 will print 1000 copies
