Books for HAITI

The people of Haiti have suffered greatly from the recent earthquake. Their homes have been destroyed, friends and family members injured or killed, and churches demolished.

Thanks to the generosity of many, countless Haitians have received food, shelter and medical care. But who is helping restore and heal their souls? Who is helping the churches rebuild their libraries and literature needs?

WITH HAITI BEING A FRENCH-SPEAKING COUNTRY, THERE ARE WAYS BLF CAN HELP.

Leadership Packs

In response to the needs of churches in Haiti, BLF is raising funds to supply **100 Leadership Packs** for church leaders who lost their libraries in the earthquake. The ten books in this set are presently available in France, ready to be shipped to Haiti as soon as we have the funds.

Your help in funding this project would be much appreciated by BLF, and by the pastors of Haitian churches! **Each book set costs only \$100.**

Full details on this project are available at: www.blfusa.org/projects/leadership.html

BLF Canada is reaching out to meet the spiritual needs of French Canadians in a very unique way! In conjunction with *Silent Witness* (BLF mime artist, Daniel Julien) and a Christian facility called *Cedar Shade Campground*, BLF Canada is undertaking **MISSION'ART 2010**.

Cedar Shade Campground

This project encourages short term mission involvement through a four-day summer evangelism

camp to be held at *Cedar Shade Campground* in Quebec.

The Gospel Festival (August 2-23) will provide individuals with the unique mission experience of reaching people of all ages with God's love through drama, mime, dance, music, testimonies and service.

It takes tremendous creativity to reach French-speakers with the gospel of Jesus Christ! Like the *Manga Bible* in France, we envision this culturally appropriate vehicle as a means for God to touch

the hearts and lives of young people who might never darken the doorway of a traditional church.

Your prayers and gifts to the poor have come up as a memorial offering before God.

Acts 10:4

Sunday School Materials

We have also been given an opportunity to send Sunday School materials to help Haitian churches replace what they have lost in the earthquake.

No further funding is needed for this project, but we request your prayers for the safe arrival of these Sunday School books in Haiti. They are presently in Florida, awaiting the final leg of their journey.

Pray too for the children who will be reached by these materials. God has a specific plan for each of them and BLF would be honored to play a role in molding these young lives for His purposes.

BLF has been entrusted with the mandate of using the printed page to reach the French-speaking world for Christ through evangelism and discipleship.

If you help the poor, you are lending to the LORD--and he will repay you!
Prov 19:17

Whether we accomplish this goal by printing *Manga* Bibles for Europe, sending *Leadership Packs* and Sunday School materials to Africa and Haiti, or winning French Canadians by way of the arts, we need your financial help, your fervent prayers, and your personal involvement.

The young people of today are tomorrow's church leaders, world leaders, and missionaries.

Help us train them to follow the Lord and lead their families, churches and countries in godly ways. God promised Solomon in I Kings 2:4, 'If your descendants ... walk faithfully before me with all their heart and soul, you will never fail to have a man on the throne of Israel.' In the same way, today's youth will be a conduit for God's blessing on their generation and the ones to come.

Thank you for being active partners in this effort to change not only the present, but also the future - for Christ's sake!

IS YOUR WILL UP TO DATE? BLF CAN HELP!
